

Associate Veterinarian:

Are you a progressive veterinarian looking for an exceptional team of people to help you reach your fullest potential? Does working for an established, successful practice with a reputation for excellence in veterinary medicine sound like the perfect fit for you? Then look no farther – Pewaukee Veterinary Service is the place for you.

Located in the beautiful Lake Country area in southeastern Wisconsin, we're actively seeking an enthusiastic and experienced full-time or part-time Associate Veterinarian to join our talented team of professionals. Your contributions will be valued every day in our fast paced practice offering a multitude of services to our clients –from preventative medicine to the latest in soft tissue, orthopedic, laparoscopic surgery and dentistry. You'll utilize the latest in veterinary diagnostic and surgical equipment in an exceptional environment where everyone learns, collaborates and works together. You'll be supported by both management leaders and a technical team of CVTs. Our Benefits: work/life balance in work schedules, health insurance programs, 401K match, paid uniforms, paid medical association memberships, and also includes attending continuing education conferences, and holidays off.

We know you have many choices available – choose the right one. Apply today at careers@pewaukeevet.com. PVS is an Equal Opportunity Employer. www.pewaukeevet.com
